**Three teenagers talk about their holiday**

**ANDREW**

Today our teacher asked us where we are going on holiday and what we are taking with us. I'm going to the beach with both my parents. I don't need my passport. It will be very hot, so I am taking my swimming costume and a big towel but not an umbrella. I like my blue towel, it's my favourite colour. My friend told me to take my camera because you can sometimes see dolphins. I will also take my sweater as it sometimes gets cold at night.

**PETER**

My teacher asked me about my holiday. I'm going to a house in the mountains with my uncle and aunt. It will be very cold all the time, so I will take my favourite blue scarf and gloves. My aunt said there will be a lot of snow. We are going there because my uncle likes snowboarding. I am excited because I will go on a helicopter again. We are going to the top of the mountain. I must take my trainers and a good hat!

**BEN**

I told our teacher that I'm going on holiday to the forests in Germany with my father and my brother. This will be the first time I go on an airplane. We will go to the airport two hours before the flight. My mum says it rains a lot in the area we are going to. So, I'll take my blue raincoat which has a picture of a dolphin on it and possibly an umbrella. I will also take my yellow boots and, of course, my passport.

## **Tom Cruise** *by Sarah Holden*

When our teacher asked us to interview a person that we admire, I had never thought I could actually interview Tom Cruise. I had been thinking for some time who else I could talk to, but it seemed to me that anyone else would come a poor second.

Then, one day, out of the blue, as I was enjoying a hot cup of chocolate in our local coffee shop, I heard a man asking me if he could sit next to me. As I turned around and saw Tom Cruise smiling at me, I was at a loss for words. He was so pleasant and friendly that I felt confident and asked him for a mini interview. Much to my surprise, he happily agreed.

Over the years, Tom Cruise has become one of the most popular and successful actors in the world. He has long been an international star, who gets paid millions of dollars for every film he makes. "I'm lucky," says Tom. "I'm doing what I love, and I'm having a great time. Lots of people would love to do this job, but they didn't get the chances that I did."

For many of us, however, Tom is more than just lucky or good-looking, as great acting ability and determination were needed for him to become one of Hollywood's biggest names.

Is Tom happy with his success so far? He has a different outlook on his career than one might expect. "I've always looked to the future," says Tom. "I feel I'm always developing as an

actor. I'm looking for new things all the time. I want to challenge myself to be better and always try new things. I know I've made a lot of progress in my career, but I still have ambitions for the future."

After interviewing him, I understood that Tom Cruise has a mind of his own and he's not at all like the characters in his movies. That's why, I believe, he has had so much success in his career; because of both his talent as an actor and his personal strength. Tom always knew what he wanted to do with his life and did his best to succeed.

## PAST FASHIONS
