FAVOURITE PLACES

Esteban

The most beautiful place to visit in my city is the Alhambra castle. There has been a castle there since the 9th century, although it's only since the 13th century that kings have lived there. The best time to visit is first thing in the morning or in the late evening, as the castle gets very busy with tour groups during the day. My favourite part of the castle is the gardens, as they have water running through all of them.

George

My favourite place in my town is the sports centre. I go there every weekend to play tennis with my cousin. He's older than me and a really good player, but sometimes I manage to beat him! The sports centre is really big and it has two swimming pools. In the summer when it's hot I like to use the outdoor pool, but my cousin prefers the indoor pool as it's bigger.

Michele

I think that the best place to visit near where I live is the local museum. It has paintings from the 15th century that are very beautiful and sculptures, too. Most tourists want to take photos of the tower because the city is famous for it, and many of them visit the cathedral that is next to it in the square. Not many tourists go to the museum, so it's always peaceful there.

7. Who goes to their favourite place with someone else?

8. Whose city is well known for one building?

9. Whose favourite place has a lot of tourists that visit it?

10. Whose favourite place has a lot of beautiful things to look at inside it?

***PART 3: Questions 11-15***

Choose the correct answer

If you want to take the whole family on holiday, and keep everybody happy, then I have found just the place for you. I recently went with a group of friends to stay at the Greenwood Holiday Village, which is open from May until October.

Built in the centre of a forest, Greenwood is a great place to stay whatever the weather. Its main attraction for families is the indoor World of Water, where young and old can have fun in the different pools. Some of these, however, are for serious swimmers only.

For sporty people, the Country Club offers tennis, squash and badminton. If your children are too young to join in these sports, there are activity clubs. Greenwood is a good place for families as it is traffic-free - you explore on foot or by bike. Some people complained that this was inconvenient, but I was pleased to be out in the fresh air. For evening entertainment, there are shows and cinemas.

Accommodation is in a variety of apartments of different sizes. These have up to four bedrooms, a kitchen and a bathroom, as well as a dining area. Before going, I thought the apartments might not be big enough for all of us, but I was pleasantly surprised it was not too crowded at all.

I'll definitely go back to Greenwood next year. Why don't you give it a try? Visit their website for further information now!
